Press release: Dr Kluane Spake

The trumpet sounds the arrival of a New Day. We cannot fully comprehend what that all means… but we know that change is coming. We excitedly look for clarity and understanding.

Dr. Kluane Spake has worked with hundreds of churches worldwide and is considered one of the Apostolic pioneers in the arena of preaching about "the finished work of redemption." Dr. Kluane has a way of making the seemingly complex easy to understand. As a highly focused speaker, author, and former pastor, her talks are prophetic, fast-moving, transforming, and life changing. You'll be able to immediately apply these ideas to your life and align into greater truth. The passion of this ministry is to provide accurate Biblical understanding that will cause believers to shed preconceived religious notions, and press into a powerful comprehension of the infallible Word of God. Apprehending present truth leads us into greater awareness of our purpose, mission and ultimate legacy. Dr. Spake lives in Atlanta, GA with her husband and family.
