

## No More Waiting

No more waiting. It's time to begin to apprehend what has already transpired. We're called from the finished place into the BREAKTHROUGH of the dawn of this new day. Now, it is time to grasp the present truths of this ongoing Reformation. It's time to enter into the PROMISE. It is time for us to return to the original order of dominion.

The prearranged course was set before the generations. The fullness of time has arrived. The SHIFTING has begun.

Prophecy to the wind, my child. The expectations of further renewal stir up the breezes. Blow upon the once dry bones that have refused to change&hellip; for now they have rattled into movement. Some of the disjointedness is already corrected. The army gathers&hellip; ankle bone to shin bone. An invasion of readiness transforms this NEW CREATION, and it is beginning to stand upright. Get ready to cause a spiritual rearrangement upon the earth realm. Move as a directed and purposed force of apostolic order.

Set your course. Define your place. And, let's kiss the child.
