

Connecting

"… your book, "Connecting has been the most en-lightening, en-sightful book I have ever experienced!

I praise God for your ministry to the body of Christ and this incredible book that is causing me to mature IN CHRIST on a daily basis.

I had a very special connection with the anointing in your words literally from page one of "Connecting." My heart leaped for joy and there were nights while reading that I could not put the book down...the Spirit just kept prodding me on to turn the next page and the next. I have been reading it every spare moment that I have.

Even though I had to be up early for work, the sleep I missed was replenished with sweet rest in my spirit as I read, "Connecting" with my Bible open and my "heart" (mind, will, emotions) ready to be changed into Father's original intention for me. " Rev. D. Bellcour, Gospel Truth MinistriesConnecting is one of those rare books that remains fresh with each reading. The first time through I couldn't put it down even though I knew I was only getting a little of what was there. The second time I stopped and pondered each section doing the suggested exercises and marveling how the Lord has gifted Dr. Spake with the ability to put into words truths we have only seen dimly and certainly could not communicate. I have completed a third reading and am now leading a weekly group meeting to study the book along with associated scriptures and concepts. I recommend this as a great group study! Together we are exploring and seeing God open our eyes and deepen our understanding of His eternal purpose. Traditions are confirmed or rejected, vision expands . . . it's fantastic. There is so much more God wants to do with His people than previously realized. Connecting opens the door for greater vision -- it is only as we see that we can enter in.
